

# The Ease of Doing Business in Europe's Startup Hubs

## Which are the best European ecosystems for startups?

Online, 30<sup>th</sup> November 2022, 17:00 – 18:00 CET

The research study on five major European startup hubs in Berlin, Milan, Lisbon, Dublin and London analyzes the success factors for attracting and enabling entrepreneurship on the local level and shows how to promote entrepreneurship and innovation successfully, focusing on comparison of different startups ecosystems in order to elaborate policy suggestions to increase the number and quality of European startups.
